Moncu – válečník v době 18. dynastie

The article deals with the role of the warlike god Montu within the framework of the power ideology of Eighteenth Dynasty rulers based on the interpretation of written as well as iconographic sources. According to the author, the preserved testimony calls for a more detailed evaluation of Montu's position as a warlike deity in close connection with the military enterprises of...

Džedkareův pyramidový komplex: nové doklady o konci 5. dynastie

The pyramid complex of King Djedkare in South Saqqara is a key monument for our understanding of the history of the late Fifth and early Sixth Dynasties and of the social and religious transformations of that period. Despite its exploration in the 1940s and 1950s, neither the architecture of this monument nor its relief decoration and other finds have been fully documented and...
