

# SEMINARS

Macmillan Teacher  
Development

## Building to communicate

As teachers, we need to optimise the opportunities that our children have to speak in class to build their communicative confidence. This workshop is full of ideas for getting your children communicating easily in English. We will begin at word level and build to sentences, use questions and answers to build dialogues, look at simple role play and the use of pictures as a source of speaking practice.

When? **28. 8. 2014** at 9:00 a.m.

## Tell me a story

Stories are an important part of childhood and a great resource for language learning. Using stories from Macmillan English Quest we will try out some basic story telling techniques to bring the stories to life in your classroom. We will look at some fun activities to practise the story, different ways of checking children's understanding and ways that children can personalise the story for themselves.

When? **28. 8. 2014** at 10:30 a.m

Speaker: **Roisin O'Farrell**

Roisin O'Farrell has been teaching for more than 20 years in different parts of the world. She is currently based in Seville, Spain, where she is Head of Children's Studies at ELI. She is a teacher, teacher trainer and materials developer and she is a regular trainer for Macmillan ELT , as well as being co-author of My English Quest.

Where? Moravská zemská knihovna, Kounicova 65a, Brno
